My motivation lies in knowledge. Knowing more empowers me to achieve more. Having the skills to complete any task before me and the ability to share my skills with others is what allows me to lead others and achieve great things.

EXPERIENCE

Computer Sales Associate, *Best Buy*, Carmel, Indiana – 2012-Present

- Assisted customers in finding a complete solution for their needs, wants and desires with their everyday technological devices.
- Consistently exceeded the expectations set forth by the company in achieving daily and monthly goals to become an exceptional asset to the sales team.
- Led the team as the Apple Master. The title included specialized training events to help promote the Apple line of products. This allowed me to be versed in selling computer, mobile phone, and wearable technology.

EDUCATION

Eleven Fifty Academy - 2015-present

Indiana University Purdue University Indianapolis - 2014- present

Zionsville Community High School - 2014 Graduate

SKILLS

- Understand the fundamentals of many forms of computer languages.
- Possess the ability to communicate complex information to a target audience.
- Ability to integrate objectives, opportunities and resources in a team environment.
- Utilizes all available resources for optimum use in meeting time lines and objectives.
